

Derbyshire and Derby Minerals Local Plan - Report of Publicity and Consultation

Dear Parish Clerk,

We contacted you previously in March this year regarding the publication of the Proposed Draft Minerals Local Plan for consultation. We are now writing to inform you of the publication of the Report of Publicity and Consultation. This provides details about the consultation, including a summary of comments that were received. All comments are currently being considered and will inform the next iteration of the Plan, which will be the Pre-Submission Draft. This will be published for consultation early next year. The report is available on our website. Go to www.derbyshire.gov.uk/mineralsplan then click on the tab on the left hand side of the page labelled "2021 to 2022 Proposed Draft Plan".

Please email planning.wastemin@derbyshire.gov.uk if you need to contact us regarding this report or any other queries you may have regarding the Minerals Local Plan.

Kind regards,

Derbyshire County Council
